

Extra EZ Deposit

Earning money is hard enough,
getting it into your bank
shouldn't be.

The advantages are EZ to see.

Convenient

Prepare and submit deposits from any of your business locations, when you want to—including evenings, weekends and holidays.

Safe

Minimize fraud by processing checks faster, and starting the collection process sooner.

Efficient

Stop filling out deposit tickets, endorsing checks, and copying checks for later reference.

Economical

Reduce transportation costs, as most deposits can be made without ever leaving your office.

Fast

Deposit checks immediately instead of holding them for your next trip to the bank.

Organized

Electronic storage of imaged checks makes future reference of deposited items easier.

We make depositing customer checks Extra EZ.

Scan and record front and back images of your checks. Balance and verify check deposit information. Transfer checks to Crossroads Bank for clearing. Do it all without leaving your office. Welcome to Extra EZ Deposit.

EZ as 1-2-3.

- 1 Extra EZ Deposit's desktop scanner captures the front and back of each check, including the MICR information and dollar amounts.
- 2 Checks are automatically totaled, balanced, and a virtual electronic deposit slip is prepared for your approval.
- 3 All check images are automatically sent to Crossroads Bank and deposited into the accounts you choose.
